**Call To Artists**

Oregon Crafted announces a new exhibition and fundraiser! Join in the fun by creating and donating a 6" x 6" work of art. Everyone is welcome to participate. All of the artwork will be sold for \$20. The artwork will include all types of mediums that are presented anonymously, with the work signed by the artist on the back of the piece. At the time of purchase, the artist's name will be revealed to the buyer. Artists may submit up to three artworks. Pass the word to all of your artist friends around Oregon and around the world! All proceeds will benefit Oregon Crafted, to continue the mission of supporting Oregon artists. Thank you so much for your support!

Oregon Crafted will supply to artists 6x6 thin rigid boards (1/8" smooth plywood) for \$1, and 6x6 shadow box frames for \$2 (recommended for heavier mediums and can be used on the flat side or shadow box side). Artists may also supply their own 6x6 base. **All artwork should be submitted ready to hang, and cannot exceed the 6" x 6" outside dimension. (It can, however, be 3-dimensional.) Artwork is due by: February 15, 2010.**

Please contact Oregon Crafted for further information at 541-687-8353, and patti@oregoncrafted.org. Artwork submission forms can be downloaded from the Oregon Crafted website at: www.oregoncrafted.org. Buyer pre-registration forms will also be available on our website.
